PROFILE

I am Mac Jones Soriano. A Frontend Web Developer with a passion for staying ahead of the evolving technology. Transitioned from Mechanical Engineering to pursue a career in web development after completing the first year of college. I acquired two years of dedicated study and practice to hone my programming skills, particularly in the field of Web Development.

Proven track record of taking on new challenges with unwavering motivation and a commitment to continuous improvement. Adept at building website applications, problem-solving, and finding efficient code solutions. Thrives in dynamic, fast-paced environments, delivering high-quality results under pressure and on tight deadlines.
